
North Texas Basketball Recruit Ineligible

The Denton Record Chronicle is reporting that after only 1 year, assistant basketball coach Jai Steadman is leaving the program. Additionally, Curtis Muse will not be sporting a Mean Green jersey this season, as he has been ruled ineligible. His teammate from Mineral Area Community College, Jonathan Jackson, is still slated to report. This will obviously be a hit to the program's depth in the paint.

Man, this hurts. Even though he had pretty weak numbers last season, I still had hopes he would contribute. Lets hope Wooden turns out to be all he is hyped to be. Thoughts?
