
Top Recruit commits to NT (again)

Posted by scrappy - 2006/08/28 23:37

Roderick Fleming is staying with the North Texas basketball program. After brief rumors that he was headed to a junior college for the opportunity of early playing time, he has decided to stick around Denton. This will allow him to keep three full years of eligibility after his transfer year. The DRC is also reporting that the Mavs are inching closer to finalizing the deal that would bring Dirk and Co. to The Pit.
