
\09 Season Recap

Posted by CMJ - 2009/06/17 13:50

Part 1 is up, if anyone wants to remember the season that was. I hope to have Part 2 done pretty soon. It's not paramount to get them done fast, but I still apologize if anyone wanted to read them faster. :)

It blacked out several paragraphs of part 2 for some reason. But if you highlight the area, you can read it.

Very odd.

Since the summer is winding down, I've realized I need to step on this. :lol: I'll try and have Part 3 done in the next few days. Time has gotten away from me lately for various reasons.

Looking forward to the upcoming season.

The whole thing is finally done and posted. It is very interesting to relive the seasons doing the research for these. Alot of going through official game recaps, as well as game threads on GMG.
