Mizzou is currently 8-2. They did have a loss early in the season to Memphis (FIU beat Memphis)... not that it means anything - but, hey... I can dream, right?

Probable starters:

Hanneman, Amanda (5'11" Sr)

Johnson, Jessra (6'1" Sr)

Jones, Shakara (6'2" Jr)

Richbow, Toy (5'6" Sr)

Brown, Raeshara (5'8" Jr)

Bench players that get PT:

Otote, Jasmyn (5'9" Jr)

Brock, Breanna (6'2" So)

Scott, Marissa (6'2" Sr)

Flores, Christine (6'3" So)

Their 2 Freshmen (McDonald's nominees) do not play - they have combined for 29 minutes in 10 games.

Either I'm not as good at laying a line as Vegas, or we beat the spread. :lol:

Is MTSU the strongest Belt team in any sport? I know FIU sometimes is ranked in tennis, but that's about it I think

Alysha Clark (MT) will be a draft pick this year in the WNBA. What is going to hurt her at that level is - size for position. She's about 5'10"... but is considered a "post". They'll have to put her out on the wing.

NT is pretty good in Women's Soccer (so I thought).

We are.

Not Top 25 in the whole country good tho. I did forget to mention ULL baseball. They have advanced to the Super Regional before haven't they? They might be the best Belt program.

Thought it was a typo on the scroll bar on ESPN

At least we weren't this bad: Duke vs NC Central
