
UNT @ UALR 12/31 2pm

UALR is 8-5, 1-1 in conference play

Losses to: OK State, Nebraska, Drake, Ole Miss & S. Alabama

Wins against: N Colorado, UTEP, Rice, Bradley, Austin Peay, Ark State, S. Miss, SE Missouri State.

Probable Starters:

Reed, Chastity (6'1", Jr)

Kursh, Marian (6'0", So)

Rolfe, Asriel (5'6", Jr)

Butler, Shanika (5'7", Jr)

Sitzmann, Kim (5'10", Sr)

Only goes about 8-9 on the rotation except the big spreads then some of the freshman get minor minutes.

Let's hope for the chemistry we saw against ULM, not the meltdown that happened vs Missouri. Very frustrating when you don't know which players are going to show up. Turnovers are STILL killing them.

Real ugly. This game looked like the team gave up. I didn't see any positives.

19 turnovers and only 4 assists. Not good.

SUMG - so true...

Teamwork = Assists.

They do not play like a team.
