
Top 5 Moments of the season(so far)

MGSports put up their list a little while ago - which I largely agree with But here are mine.

5. Odufuwa's 24 rebounds will be a mark to shoot for for years
 4. The home win vs USA. We were 4-4 in league play at the time with a trip to WKU & MTSU upcoming. We had to win the USA game, or I sensed the season unravelling completely. That one got us on track
 3. Defeating UTA in double overtime with White pouring in 35
 2. Defeating ULM to wrap up the Western Division
 1. Beating WKU in Diddle after their miraculous shot to force OT. Probably would've made #1 regardless

Why is a rebounding effort, that isn't the record....a mark to shoot for?

Is Pete Rose's 44 game hitting streak not one to shoot for because it isn't as long as DiMaggio? George had the most boards by a NT player in over 30 yers.

Or Gabe Kapler's 31 game hit streak for the Rangers!
