I'm gona have to call Voertmans and the Bookstore to see when they're getting Sunbelt Champs/NCAA tourney shirts.

Josh White was so clutch last night. Tristan was as smooth as I've ever seen him. Odie was a BEAST on the glass. Shannon had a few memorable plays. Bench played well. Tramiel could not be stopped down low. That was really a total team effort last night.

Josh was so clutch at the end, and Odufuwa had the biggest block of any NT player in a generation.

I wonder when our home opener will be....I wanna see the banner ceremony
